Dear Parent/Guardian,

This School Medication Permit must be completed if your child will need to take over-the-counter (OTC) medication or prescription medication during school hours. Both you and your child’s doctor or licenses prescriber must complete sections of this form. Medication provided to school must be in the original (OTC) container or the prescription bottle. The parent/guardian must bring the medication to the school clinic. The medication will be administered, as ordered, by a staff member trained to administer medications.

Directions to complete the School Medication Permit for medication that will be stored in the school clinic and administered by a trained staff member.

1. The Parent/Guardian must complete the 1st box.
   - Leave the 2nd box blank unless you and your child’s doctor authorize your child to carry and self-administer either an Asthma Inhaler or an Epinephrine Auto injector.
2. The child’s doctor or licensed prescriber must complete the 3rd box.

Directions to complete the School Medication permit if you intend for your child to carry/self administer either an Asthma Inhaler or an Epinephrine Auto injector.

Please Note: All of the following conditions MUST be met or your child’s Asthma Inhaler or Epinephrine Auto injector will be stored in the school clinic and administered by trained staff:

1. The Parent/Guardian must complete the 1st box on the school medication permit.
2. The Parent/Guardian must complete the 2nd box on the school medication permit, giving parental/guardian permission for the child to carry and self-administer the medication.
3. The child’s doctor or licenses prescriber must authorize the child to carry and self-administer an Epinephrine Auto injector by “checking” the statement in the 3rd box that states,

   _______________AUTHORIZATION FOR CHILD TO CARRY/SELF ADMINISTER AN ASTHMA INHALER OR EPINEPHRINE AUTO INJECTOR AS PRESCRIBED.

4. A second Epinephrine Auto injector must be provided to school and stored in the school clinic if your child is authorized to carry/self-administer an Epinephrine Auto injector. Please call the clinic if you have any questions regarding your child’s health.
MONROE LOCAL SCHOOLS MEDICATION PERMIT

In accordance with Ohio Revised Code 3313.713 a new permit is required each school year and with any changes of medication or treatment. Monroe Local Schools requires that the following information be provided before it will administer medication or treatment to the student.

THIS SECTION TO BE COMPLETED BY PARENT OR GUARDIAN

Name of Student ___________________________________________ Date of Birth __________________________

Student’s Address ________________________________________ School ___________________ Grade _______ Homeroom __________

A. I am requesting permission for my child named above to: (Check all that apply)

   ____ receive medication from an authorized staff member in accordance with the authorized prescription written below.
   ____ carry & self-administer an asthma inhaler and/or epinephrine auto injector in accordance with the authorized prescription written below.
   ____ receive prescribed treatment in accordance with the authorized prescription written below.

B. I will assume responsibility for safe delivery of the medication/drug to school. Medication may not be sent to school in the student’s lunch box, pocket, backpack, or any other means on or about his/her person.

C. I will notify the school immediately if there is any change in the use of the medication/drug or the prescribed treatment. I understand a new School Medication Permit must be completed and submitted to school each time changes are made to the prescription or treatment.

D. I release agree to hold the Monroe Board of Education, its officials, and its employees harmless from any and all liability foreseeable, unforeseeable, for damages or injury resulting directly or indirectly from this authorization.

*If the licensure provider authorizes the student to carry and self-administer an asthma inhaler or an epinephrine auto injector:

   ● Parent/Guardian will provide a backup dose of the medication (Epinephrine) to the school principal or nurse as required by law.
   ● It is strongly recommended the parent/guardian provide a second inhaler to be stored in the clinic in the event the student does not have inhaler.
   ● The student should be responsible to report use of inhaler to the nurse and/or principal.
   ● The parent/guardian must sign and date the Carry/Self-Administer box below and the licensed prescriber must check the Carry/Self Administer Authorization.

Parent/Guardian Signature ______________________ Date _______ Daytime Phone _______ Cell Phone _______

Parent/Guardian Authorization for Child to Carry/Self-Administer an Epinephrine Autoinjector or Asthma Inhaler

   ● For Epinephrine Auto injector: As the parent/guardian of this student, I authorize my child to possess and use an epinephrine auto injector, as prescribed, at the school and any activity, event, or program sponsored by or in which the student’s school is participant. I understand that a school employee will immediately request assistance for an emergency medical service provider if this medication is administered.
   ● For Asthma Inhaler: As the parent/guardian of this student, I authorize my child to possess and use an asthma inhaler as prescribed, at the school and any activity, event, or program sponsored by or in which the student’s school is a participant.
