

# WILDWOOD SWIM TEAM

*2018*

Summertime is Almost here!

Our swim team welcomes swimmers from the ages of 5 to 18 yrs old. Competitive swimming experience is not required. As long as the athlete can swim, unaided, from one end of the pool to the other, then **THEY CAN DO THIS!** Our dedicated coaching staff will teach them the rest!

Our season is from May 28th until July 28th. We will have morning and evening practices! Our practices are at the Wildwood Swim Club located next to the Wildwood Golf Club in Middletown, Ohio! Our meets are on Tuesdays and Thursdays. There will be 3 home meets and 3 away meets. All of the meets are local and are within a 30 minute drive from the Monroe/Middletown area.

Swimming is a GREAT sport that ANYONE can do! It teaches teamwork, social skills and discipline. More importantly, it fosters self confidence that will encourage athletes to improve on their skills.

Come on out and "Take your Mark" and have lots of fun this summer!
