

Dear Parents/Guardians,

Last week was a spirit week! Now since families seem to be spending more time outdoors, we thought it would be fun to have scavenger hunts this week. You will find two different scavenger hunts you can do both inside your house and outside in nature. For the inside scavenger hunt, write down all the items you find. Also, don't forget to send pics to your teachers of all the great things you find! They miss you all so much and seeing your pictures makes their heart happy. We can't wait to see you soon, so in the meantime enjoy "hunting" with your family.

Stay home, stay safe, and stay healthy.
