

MONROE HIGH SCHOOL

Dear Parents and Students of the Freshman Class,

We are approaching that special time in life when you order your class ring. It is an important event and an opportunity to take part in a time-honored tradition. The students and staff have designed a unique ring that reflects the pride and school spirit at Monroe High School. Herff Jones is the official class ring supplier and partner in education with MHS. For over 90 years, Herff Jones has helped guide students through the traditions of high school, from designing your custom class ring to graduation. Please review the information below and the class ring packet your student will receive during a **Class Meeting on February 21**. The class rings will be delivered near the end of the school year around mid May.

Order Dates:

Parent Night - Wednesday, February 26th from 3:00 - 7:00 pm (*This is a special order session that allows parents to see ring displays, ask questions and participate in the ordering process*)

School Order Days - Thursday, February 27th at 7:15 am
