To access e-mail and/or the Internet at school, students under the age of eighteen {18} must obtain parent permission and must sign and return this form. Students eighteen {18} and over may sign their own forms.

Use of the Internet is a privilege, not a right. The Board's Internet connection is provided for educational purposes only. Unauthorized and Inappropriate use will result in a cancellation of this privilege.

The Board has implemented technology protection measures which block/filter Internet access to visual displays that are obscene, child pornography or harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Board of Education has not authorized for educational purposes and/or which they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Student's accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

The Board has the right to monitor, review and inspect any directories, files and/or messages residing on or sent using the Board's computers/networks. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

As the parent/guardian of this student, I have read the Student Network and Internet Acceptable Use and Safety Policy and Guidelines, and have discussed them with my child. I understand that student access to the Internet is designed for educational purposes and that the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minor. However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I will not hold the Board (or any of its employees, administrators or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet i.e., setting and conveying standards for my daughter/son to follow when selecting, sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations.
